1. A new factory for the production of construction materials was being built near the railroad station in Mezimosti 4911N-1442E7. Although the factory was already in operation in autumn 1951, the buildings were not yet completed even in the spring of 1952. The factory included several production buildings,  A new railroad spur track led from the railroad station to the factory.

2. [redacted] the new factory in Mezimosti was named Prefa, National Enterprise, and was producing prefabricated buildings. [redacted]
